## TERMS AND CONDITIONS

These Terms and Conditions govern all services and repair work and all other aspects of the parties' relationship unless otherwise noted, whether described on the front of this document or elsewhere. As a condition to Smith Power Products, Inc. ("Smith Power") providing repair work, parts and/or other services, you as the recipient (the "Customer") acknowledge and accept these Terms and Conditions.

### **1. WARRANTY DISCLAIMER AND LIMITED REPAIR OR REPLACEMENT WARRANTY ON LABOR.**

Only the warranty of the original manufacturer, if any, will apply to new parts manufactured by others or parts rebuilt by others. SMITH POWER DISCLAIMS ALL OTHER EXPRESS, IMPLIED OR STATUTORY WARRANTIES, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. ALL USED PARTS ARE SOLD AS IS, WITH ALL FAULTS, WITHOUT ANY WARRANTY WHATSOEVER.

Smith Power warrants its workmanship for sixty (60) days. Smith Power will repair or replace, at its option and cost, parts which it reasonably determines are necessary solely because of defective workmanship by Smith Power. To make a warranty claim, the equipment must be returned at Customer's expense to Smith Power within sixty (60) days of the repairs. Repair or replacement is Customer's sole and exclusive remedy, in lieu of all other remedies whatsoever, including consequential and incidental damages. Smith Power is not responsible if repairs are necessitated, in whole or in part, because of abuse, misuse, improper maintenance, casualty, collision, fire, storm or water damage, or any other event not solely caused by Smith Power's workmanship.

To the extent not otherwise limited in duration or disclaimed, any implied or express warranties are limited in duration to one year following the sale or completion of repairs, regardless of the time of discovery of defects or damages. Under no circumstances shall Smith Power be liable for consequential or incidental damages, damage to property not repaired by Smith Power, lost profits, rental charges, transportation charges, cover, etc.

### **2. AUTHORIZATION FOR REPAIRS AND TEST DRIVING.**

Customer hereby authorizes and agrees to pay for the repair work described on the front of this document, including all reasonable and necessary labor and materials. Customer grants permission to Smith Power and its employees to operate all vehicles or equipment described in this document on streets, highways, or elsewhere for the purpose of testing and inspection.

### **3. LIMITED LIABILITY FOR PROPERTY LEFT WITH SMITH POWER.**

Smith Power is not a bailee. Smith Power and its employees are not responsible for loss or damage to vehicles or equipment or any other property left in, on, or near vehicles or equipment in case of fire, theft, or any other cause beyond the control of Smith Power.

### **4. PAYMENT TERMS.**

Payment is due and payable at the time of completion of service, unless prior arrangements are made. All past due balances will be subject to a finance charge of 1 ½% per month, or the maximum rate allowed in the jurisdiction where this contract is signed, whichever is less.

Smith Power has an express repairman's lien upon vehicles or equipment to secure payment for repairs and services. Smith Power is entitled to recover reasonable costs and attorneys' fees incurred in enforcing these Terms and Conditions.
